

Quality Policy

A strategic orientation of N.R.S Poultry Sustainability & Transformation Ltd. (NRS Poultry) is to be recognized for quality in the poultry industry.

This will be achieved through:

- Consideration of context of the organization and aligning the Integrated Management System with the strategic direction of NRS Poultry
- Satisfying customer, as well as complying with applicable statutory and regulatory requirements
- Management of organization, along with employee-established quality objectives and defined responsibilities for their fulfillment
- Establishing, applying, maintaining and continual improvement of the effectiveness of the Integrated Management System based on ISO 9001:2015
- Continual enhancement of customers' satisfaction
- Setting continuous improvement goals, and making them a part of every day and every job we do
- Understanding how our individual responsibilities fit into the overall flow of work at NRS Poultry
- Continuously upgrading the Integrated Management System in all stages, starting from interfacing with the customers and onwards to exchange of info and samples, order receiving & handling processing, logistics and shipping, and supporting the customers activities related to the product thereafter.

The framework for setting quality objectives is defined in the IMS Manual.
